

Q. I direct your attention to the fact that Mrs. Falk is about 93 years of age and is residing with Mrs. Nannie C. Klipp, who has been appointed Committee of the property of Mrs. Falk, with this in mind do you feel that these facts have any bearing on the question as to whether her real estate at 621 Park Place, Frederick City, Frederick County, Maryland be sold, as well as household effects located therein?

A. Yes, I do not feel that it would be wise to pay cash money and invest in repairing her real estate and then receive a return which would be over a long period of time. I definitely feel that this real estate should be sold and that the household effects be sold also.

To The Gen: Int: As propounded by C. Clifton Virts, Examiner.
